MEMORANDUM FOR: Deputy Director/Research

SUBJECT : Preliminary [REDACTED] Analysis of Mission 3084

25X1D

1. The following information is the result of the Elint analysis of recordings obtained from an aerial reconnaissance of Cuba.

2. The mission vehicle departed base at 0930Z, 8 July 1962, and proceeded southeasterly, arriving on target at 1220Z. The aircraft then flew north by northeast to a position 25 miles southeast of Havana, and southeast and east to Cienfuegos (2208/8028;1305Z). At this time, the mission was aborted and the aircraft proceeded west and northwest to the point of departure, arriving at 1625Z.
